Trade-related loans and programs for banks

FX operations and other treasury services

Business

Sustainable support of healthcare supplies

Payment guarantees and trade finance for pharmaceutical distributors. IBEC's support enables the uninterrupted supply of medicines and pharmaceutical products from leading global manufacturers to pharmacies and healthcare institutions, including in the fields of oncology, haematology, neurology and cardiology.

Supporting Women Businesses and SMEs in Mongolia

IBEC provided a targeted loan to a Mongolian bank to finance two lending programs: the Women Entrepreneurs Support Loan Program and the SME Loan Program.

Support for energy projects

Trade financing provided for the construction and delivery of modernized floating power units. The project contributes to increasing the share of energy generated from renewable sources, improving resource efficiency, and promoting the wider use of clean and environmentally friendly technologies.

Supporting trade and joint projects between member states

A guarantee backed by a counter guarantee from a Mongolian financial institution to ensure the supply of ground grain and buckwheat from the Russian Federation to Mongolia.

Advance payment guarantee for the Russian engineering company in favor of the Project management board for Nuclear science and technology under the contract on development of the feasibility study report and dossier for site approval in Vietnam.

Supporting member trade with partner countries

Loans to financial institutions to finance trade contracts in support of export and import transactions with counterparties from China.

Direct guarantee to cover obligations of exporter of electrical equipment to Kazakhstan and short and medium term financing to support export to Uzbekistan in agricultural machinery, food products, sanitary supplies, etc.
